Do you volunteer outside of Key Club?

Let your class director know!

With proper documentation and approval, you can apply these hours to your Key Club hours.

Only 5 hours per administrative year can be applied.

Open Officer Positions

Are you interested in being apart of the Key Club board?

Run for Sophomore Director, Freshman Director (directors must be in their class), Treasurer, or Event Coordinator!

Do not publicize your candidacy to anyone until the first meeting, where a quorum will be taken to elect these positions.

Please direct any questions to the class director nearest to you in grade (contact info, page 2).

Want to spend four days at a five-star resort in Orlando this April where you can meet over 1,000 other Key Clubbers?

Then plan to attend the 2014 DCON event!

More details are to be announced.

Key Club Never Stops

This summer Key Club did not stop!

From participating in the World Judo tournament, beach cleanups, and being the club that donated the most items to the

Christmas in July event, we did not stop our endless streak of service.

Let's fill the summer of 2014 with even more service!

Reminder: There is a meeting on 9/11/13

KCKC

KCKC is the first meeting of this school year. This meeting has required attendance, the attire is business professional, and the admission fee is \$5 to cover lunch and other fees.

You will get five Key Club hours for attending, and an extra two hours if you bring someone that is not currently a Key Club member.

Please note that even though you will not earn Broward County volunteer hours toward your graduation requirement, attendance is still required.

President Tiffany's Blurb

Hey everyone!

My name is Tiffany and I am your president for the 2013-2014 school year. This is my 4th year in Key Club.

I am ecstatic to be given the opportunity to share my devotion to service with everyone this year.

The sole purpose of this club is to serve others while building our homes, schools and communities.

Key Club is also made to spread our passion for service to others worldwide, while building lead-

ers in our communities.

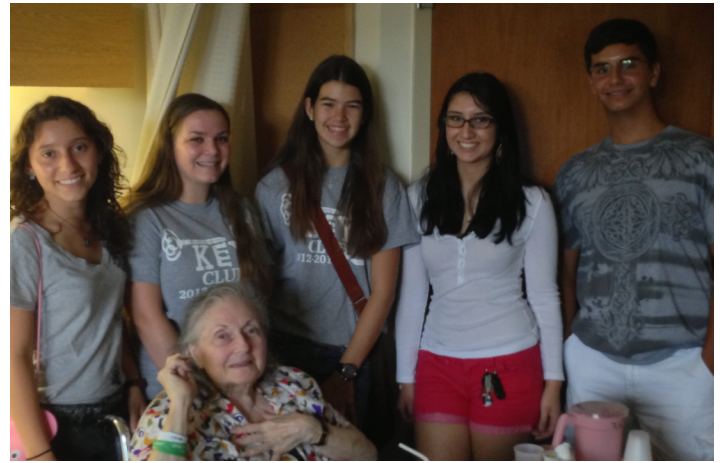

As Key Clubbers we strive to be good leaders so that we can create tomorrow's great leaders.

My motto in life is not to try, but succeed. With this I know that we will have an extremely successful year.

I cannot wait to start having a fun and service filled year with everyone, so see you soon :D
