Hello Service Leaders!

I hope everyone has had a fantastic winter break. I know it is sad to be going back to school, but on the plus side that means that we are starting back up again on our events.

We have had an amazing year so far and I am confident that this trend will continue moving forward.

Over the break plenty of people have been asking me about what more can be done. I apologize that

we did not have enough events over break to service this desire.

However, we have accommodated this by adding a bunch of fun and exciting events for January.

There are still five months left in the year so lets make them count!

Spirited in Service,

Tiffany
President
Somerset Chapel Trail

We had the opportunity to return to the Susan B. Anthony Recovery Center and throw a party for the holidays that was bigger, better, and a lot more fun!

The facility is unique in that it allows its residents to stay with their children while they recover, and also has a wide variety of activities for both residents and their children, such as our parties.

In October, we went to assist the center with their Halloween party. This project was like few others, with all members being able to see the effect

of their service in their community.

So, upon request of Ms. Dora Evans, a Recreational Therapist, we returned in full force to create a fun holiday party for the center's staff, its residents, and their children.

This party had an excellent DJ, plentiful food, and a resident made skit in which they acted as the center's staff. After eating everyone, the residents, children, and staff, danced for hours to the assortment of music played.

His House Toy Wrapping

His House is a local orphanage where children who are being deported are held and given an education until they are 18. We went there in November to participate in a toy sorting, and our club members arrived this month expecting to wrap toys, but were instead assigned to assemble

bikes!

All 35 bikes, which were anonymously donated to the facility the night

before, many members stayed after hours for a tour and to play a game of soccer with the kids.

Want an event?

Have a great idea for a service project or event? We love to hear your ideas and make them reality! Send your Class Director an email with your idea and it will definitely be considered!

Upcoming Events

This new year we have a lot of great events coming up!

Beach Cleanup: Saturday, January 15, 2014 at 9:30 AM.

Miramar Community Garden Day: Saturday, January 25, 2014.

January DCM: Sunday, January 26, 2014 at American Heritage School.

Elections: Beginning of February. Contact Tiffany or the officer in the position you are running for to get more information.

February DCM: Saturday, February 15, 2014 at The Fuge. This is our club's DCM so be sure to attend!

Spring Zone Rally: Saturday, February 22, 2014 at Nova University. This is one of the most important events of the year! Here we pick our Lt. Governor for next year, as well as participate in fun workshops and other activities.

HAPPI Horse Farm: This is a horse farm that works with Autistic children. This will be available on select Tuesdays and Thursdays.

Christmas Tree Unloading loads a lot of service!

At The New Horizons Methodist Church Christmas Tree Unpacking, a division-wide event hosted by Flanagan High School, Key Club members unloaded trucks full of Christmas trees and set them up to be sold.

In October, our club participated in a similar project where members unpacked trucks of pumpkins and set them up to form a pumpkin patch.

This unpacking was far less messier and was another great opportunity

to spend time volunteering for a local middle school.

Many Key Clubbers were in attendance despite the work that had to be put in and waking up early on a Saturday morning to go help -- their dedication is commendable.

This Month's Tip

Thinking of going to DCON? Contact your class Director for fundraising opportunities!
