# Editor's Note

Dear Readers,

This past month has been one of the best yet, with KCKC and a mini-golf DCM, how much better could it have gotten?

I was so happy to see how much service and good could be done when great minds work together at the PB&J drive.

In the end, my favorite part of September has been all of the times that I have been with Key Clubbers, be it at KCKC, our meetings, or just walking around campus -- it all has truly been awesome.

So, let's keep it up, let's keep the momentum that we have created going by working even harder in October to make sure that we are the best Key Club that we can be, and that we are the best servant leaders we can be.

Remember the Key Club motto: "Caring, our way of life."

Service filled regards,

# KCKC was TONS of fun!

KCKC was filled with fun workshops, informative trainings, and so many Key Clubbers!

With about 900 people present, a whopping 361 from our own Division 24B, the event was the largest in the history of the Florida District!

Also at KCKC, the theme of this years District Education and Leadership Conference (DCON) was announced to be Superheros of Service!

DCON will have fun activities, such as costume contests, to make the event as fun as possible, and reflect the theme.

More information regarding DCON attendance will be given at future meetings. However, start thinking now if you would like to attend!

The next zone-wide event will be Spring Zone Rally in February.

# September DCM: Mini-Golf

The September DCM, hosted by Everglades High School, was a success! Lt. Governor Dillon Perez, in an announcement at the DCM, said that over \$1500 was raised for the Children's Miracle Network.

We were placed in teams of four, and teams

were comprised of people from different schools. This provided us with the

opportunity to mingle and meet other Key Clubbers from around our division.

## Am I accepted?

Acceptance letters will be distributed on 10/4. Remember, you needed to have paid your dues, registered, and completed three service hours to be eligible for Key Club membership.

## PB&J Drive really "drives," service home

This month, for the first meeting of the year that included new members, our Key Club participated in its own PB&J drive, to which the 300 sandwiches made were donated to a local homeless organization.

This drive is a great representation of what we stand for: helping members of the community.

This project exemplified this month's Key Club Core Value: inclusiveness. This project was a great way to have all mem-

bers in a project that would impact the members of their direct community.

All sandwiches were donated on Saturday, September 28, and President Tiffany plans to make it a regular event to donate to that organization.

## New Officers!

At the last meeting, the open positions of Event Coordinator, Sophomore Director, and Freshmen Director were elected.

David Hernandez will be serving as the new Event Coordinator.

Sophomore Class Director is Cristian Garcia and Freshmen Class Director is Gabriela Rivera.

Contact information for all Class Directors are available on page 3.

Also new to the board is AJ Ridley, taking on the position of Treasurer.

Contact information for all board members will be distributed via E-Mail.

## This Month's Tip

Use the Division 24B website to view the Division calendar and stay up-to-date with Key Club activities!

# President Tiffany's Blurb

Hey everyone,

I just wanted to say that I am absolutely baffled by the recruitment turnout. We have about 70 members that are now a part of the Key Club family and I could not be any happier.

In all honesty, I expected a turn out like this, but what I did not expect is to already see such a high level of dedication and participation so early in the year.

Usually people join

and do not actually get involved with the organization.

However, much to my surprise I have seen a passion for service that is beyond what I could ever expect by this club, and only a few weeks into the year nonetheless.

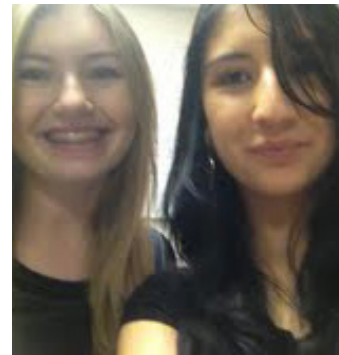

So I want to officially welcome everyone to the family. We are really a family, not just a club.

I have no doubt whatsoever that we will not have anything less than the best Key Club year for

Somerset Academy to date.

Keep Calm and Serve On,

Tiffany

## Member of the Month!

Congratulations to the Member of the Month, Patrick Cheng!

Patrick was present at basically every event, even before he started freshmen year!

# Picture of the Month

At KCKC, there were times that we had to separate as a group. However, those pictured managed to stick together throughout the event, managing to attend almost every part of the day together.

Remember, Key Club is a family, not just a club.
